I attended a conference, a long time ago, where Lt. Col. Dave Grossman gave a presentation titled “The Sheep, The Wolves and The Sheepdogs.”

I would like to paraphrase his speech for the benefit of our passion. Please go to his website for more information www.killology.com/sheep_dog.htm

In our world today exists three types of people – Sheep, Wolves and Shepherds.

One Vietnam veteran, an old retired colonel, once said this to Lt. Col. Grossman: "Most of the people in our society are sheep. They are kind, gentle, productive creatures who can only hurt one another by accident."

"Then there are the wolves," the old war veteran said, "and the wolves feed on the sheep without mercy." Do you believe there are wolves out there who feed on the flock without mercy? You better believe it. There are evil men in this world who are capable of evil deeds. The moment you forget that or pretend it is not so, you become a sheep. There is no safety in denial.

Then there are the shepherds, and I am a shepherd. The shepherds live to protect the flock and confront the wolf.

Shepherds will feed their sheep, tend to the sick and bound up the injured. Shepherds will leave the safety of the flock to search for the one that is missing and lost.

Scripture tells us that the Shepherd “will search for my lost ones who strayed away, and I will bring them safely home again. I will bandage the injured and strengthen the weak. But I will destroy those who are fat and powerful. I will feed them, yes – feed them justice.” Ezekiel 34:16 (NLT)

We live in a society that has openly allowed the wolves to prey upon the sheep. Emotional, physical and spiritual abuse runs rampant in our communities. Child predators feel at ease to seek out the vulnerable. Wolves are constantly on the hunt for victims to exploit.

NOW is the time for shepherds to RISE UP and PROTECT our flocks.

Join Global Child Rescue and our partner churches and organizations as we fight for the freedom of our children.

Global Child Rescue currently has affiliate members in: Pensacola, Florida; Foley, Alabama; Atlanta, Georgia; Clayton, North Carolina and Escondido, California.
